Sir, I have the honor to invite attention to para 2 of Govt Proc No 9267-8 L7 203-93 dated the 21st January 1901, regarding the location of a dispensary at White field and to request that you will be so good as to inform, at an early date, as to what arrangement has been made to spare the services of an Hospital Assistant. The settlers at Whitefield have been repeatedly urging the necessity of opening out a dispensary in that place, so that it may be useful to the settlers and

other surrounding Villages. 17.

2. Further, I have to state that the furniture, &c, required for the dispensary has been made and kept ready in charge of the Superintendent of Central Jail. I am of opinion that the best place for a dispensary would be the large Village Varthur, close to the Settlement.
